ILP SUB-FUND SUITABILITY			
WHO IS THE ILP SUB-FUND SUITABLE FOR? • The ILP sub-fund is actively managed and <u>only</u> suitable for investors who: • Seek an above average income from equity investments without sacrificing long term capital growth and invest in a manner consistent with the principles of ESG investing. • Seek to invest in equity securities of companies domiciled in, or exercising the predominant part of their economic activity in, Europe. • Are informed investors willing to adopt capital and income risk. An investment in the ILP sub-fund should not constitute a substantial proportion of an investment portfolio.			Further Information Refer to “Investment Objective, Policy and Strategy” of the Singapore Prospectus for further information on product suitability.
KEY FEATURES OF THE ILP SUB-FUND			
WHAT ARE YOU INVESTING IN? • You are investing in an ILP Sub-Fund which feeds 100% into Class A6 SGD Hedged Distribution class of the Blackrock Global Funds European Equity Income Fund (“the Underlying Fund”), a sub-fund of Blackrock Global Funds (“BGF”). • BGF is an open-ended investment company incorporated in Luxembourg and its home regulator is the Commission de Surveillance du Secteur Financier (“CSSF”). • The ILP Sub-Fund Manager currently intends to make monthly distributions each year. However distributions are not guaranteed. The ILP Sub-Fund Manager has the sole discretion to determine whether a distribution will be made as well as the rate and frequency of distributions to be made.			Refer to “The Company” and “The Funds” of the Singapore Prospectus for further information.
Investment Strategy			
• The ILP Sub-Fund will invest at least 70% of its total assets in equity securities of companies domiciled in, or exercising the predominant part of their economic activity in, Europe. • The ILP Sub-Fund’s total assets will be invested in accordance with the ESG Policy, as outlined below and further described in the Singapore Prospectus: Companies are evaluated by the Investment Adviser (“IA”) based on their ability to manage the risks and opportunities associated with ESG factors and their ability to strategically manage longer-term issues surrounding ESG and the potential impact this may have on a company’s financial performance. The IA conducts enhanced analysis on all companies that it considers to have heightened ESG risks, higher carbon emissions and controversial business activities.			Refer to “Investment Objective, Policy and Strategy” and “Use of Derivatives and Securities Lending” of the Singapore Prospectus for further information on investment strategy.

¹ The Singapore Prospectus are accessible at www.blackrock.com/sg

² For ILP sub-fund that feeds 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

In such circumstances, the IA may determine an engagement agenda for discussion with those companies in seeking to improve their ESG credentials. To undertake this analysis, the IA uses its fundamental insights and may use data provided by external ESG data providers, and proprietary models. • The ILP Sub-Fund's exposure to contingent convertible bonds is limited to 5% of its total assets. • The ILP Sub-Fund may use derivatives for investment purposes and for the purposes of efficient portfolio management.

Product-Specific Risks			
• You are exposed to capital growth risk The ILP Sub-Fund pursues an investment strategy in order to generate income and may pay dividends from capital or net gains. Such investment strategies and/or dividend policies may reduce capital and the potential for capital growth and future income of the ILP Sub-Fund. • You are exposed to derivatives risk The use of derivatives may expose the ILP Sub-Fund to a higher degree of risk. Derivative contracts can be highly volatile and a relatively small market movement may have a potentially larger impact on derivatives than on standard bonds or equities. Leveraged derivative positions can hence increase the ILP Sub-Fund's volatility. The ILP Sub-Fund may sustain loss as a result of the failure of a derivatives counterparty to comply with the terms of the derivatives contract. • You are exposed to ESG investment policy risk The use of ESG criteria may affect the ILP Sub-Fund's investment performance and, as such, the Fund may perform differently compared to similar funds that do not use such criteria. • You are exposed to smaller capitalisation companies risks The ILP Sub-Fund may invest in small cap companies. Such investments may have higher than average volatility and liquidity risks.	Refer to "Investment Objective, Policy and Strategy" and "Use of Derivatives and Securities Lending" of the Singapore Prospectus for further information on investment strategy.

VALUATIONS AND EXITING FROM THIS INVESTMENT			
HOW OFTEN ARE VALUATIONS AVAILABLE? Valuations are available on each Valuation Day. The subscription and redemption prices are published in www.etiqa.com.sg. HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO? —You may exit ("realise") your units wholly or in part by submitting a realization form to the relevant financial adviser or Us. Partial realisations are subject to minimum holding requirements.			

- You may return this policy for cancellation within fourteen (14) days after You receive the policy document, for any reason. We will refund You the Premiums You have paid less any change in the unit price(s) of the Portfolio Fund / ILP Sub-Fund and any costs incurred by Us in assessing the risk under the policy, such as payments for medical check-up and other expenses. Any partial withdrawal(s) previously paid to You under this policy will also be deducted.
- Should the free look and/or redemption request be received and processed before 3 p.m. (Singapore time), the request will be taken to have been received on that Business Day and we will place your order on the next Business Day, subject to the ILP sub-fund manager's pricing policy. If you miss the cut-off time or on a day which is not a Business Day, the request will be taken to have been received on the next Business Day and we will place your order two Business Day later, subject to the ILP sub-fund manager's pricing policy.
- The following example illustrates the amount of redemption proceeds You will receive based on a redemption of 1,000 units and a notional redemption price of S\$0.95*:

Number of units to be Redeemed	Redemption Price	Gross Redemption Proceeds	Net Redemption Proceeds
1,000	X S\$0.95	= S\$950	= S\$950

* The actual redemption price of the units will fluctuate according to the net asset value of the units.
