The Investment Adviser (“IA”) intends to limit direct investment in securities of issuers involved the production, distribution or licensing of alcoholic products; ownership or operation of gambling-related activities or facilities; production, supply and mining activities			Refer to “Investment Objective, Policy and Strategy ” and “ Use of Derivatives and Securities Lending” of the Singapore Prospectus for further information on investment strategy.

¹ The Prospectus is available from the Singapore Representative at www.blackrock.com/sg.

For ILP sub-fund that feeds 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

related to nuclear power and production of adult entertainment materials. The assessment of the level of involvement in each activity may be based on percentage of revenue, a defined total revenue threshold, or any connection to a restricted activity regardless of the amount of revenue received. The IA will exclude any issuer with a MSCI ESG rating below BBB. The remaining companies are then evaluated by the IA based on their ability to manage the risks and opportunities associated with ESG compliant business practices and their ESG risk and opportunity credentials, their ability to strategically manage longer-term issues surrounding ESG and the potential impact this may have on a company's financials. To undertake this analysis, the IA may use data provided by external ESG Providers, proprietary models, etc. The Fund may gain limited exposure (through e.g. derivatives) to issuers with exposures that do not meet the ESG criteria described above. The IA also intends to limit investments in companies within the Global Industry Classification Standard (GICS) Oil & Gas Exploration & Production sector and companies within the Global Industry Classification Standard (GICS) Integrated Oil & Gas sector to below 5% of its total assets. • More than 90% of the issuers the fund invests in are ESG rated or have been analysed for ESG purposes. • The fund has a flexible approach to asset allocation. The fund may invest in securities denominated in currencies other than the reference currency (Euro). Currency exposure is flexibly managed. • The fund may invest up to 20% in aggregate of its total assets in PRC via the Stock Connect, Foreign Access Regime and/or Bond Connect. • The fund may invest up to 10% of its total assets in ABS and MBS. The Fund may use derivatives for investment purposes and for the purposes of efficient portfolio management. The fund may use total return swaps that have equity or fixed income transferable securities and equity or fixed income related securities as underlying assets. Any ESG rating or analyses referenced above will apply only to the underlying securities of derivatives used by the fund.	
Parties Involved	
WHO ARE YOU INVESTING WITH? • Investment-Linked Plan Provider is Etiqa Insurance Pte. Ltd. • The Management Company is BlackRock (Luxembourg) S.A. • The Management Company has delegated its investment management function of the Fund to one or more investment advisers who may sub-delegate some of its/their sub-advisers within the BlackRock Group (each as listed in paragraph 3.2 of the Singapore Prospectus). • The Depositary is The Bank of New York Mellon SA/NV, Luxembourg Branch. • The Singapore Representative is BlackRock (Singapore) Limited.
